Re: *United States v. Brijeshkumar Patel*,
No. 23 Mag. 6797 (UA)

Your Honor:

With the consent of the government, I write to respectfully request a one-week extension of the deadline for Brijeshkumar Patel's co-signers to sign the bond. On October 17, 2023, Mr. Patel appeared before Magistrate Judge Victoria Reznik on a criminal complaint. Mr. Patel was released that night on a \$100,000.00 unsecured appearance bond to be cosigned by two financially responsible persons who were to sign within one week subject to location monitoring. Mr. Patel's first co-signer signed yesterday. We have identified to the government a second co-signer who is in the process of collecting the necessary documents. We have also identified a third potential co-signer who would qualify should the second co-signer not be suitable. The third co-signer is out of the country to return on October 31. Accordingly, we respectfully request that the bond be modified to extend the deadline for the second co-signer to November 1. As indicated, the government has no objection. We appreciate the Court's attention to this matter.

Respectfully submitted,

Ezra Spilke
